More Information

1. Parking-You will receive info with the schedule about parking lot opening time. Fiesta Texas charges a parking fee per vehicle. If you have exact change in hand, it will go very fast. You can receive a discounted parking ticket if you purchase it in advance. Advance purchase parking link will be available by going to contest page, clicking on the Fiesta Texas listing, & choosing from the drop down menu. Bus parking the same as other vehicles. Buses park at the west end of the parking lot.
2. Please proceed directly to security area for bag search and metal detectors. Everyone entering will go through bag search and metal detectors. If you will please instruct your team and parents to do the following, it will speed up the process. Have your bag unzipped. Have any metal items in your hands – cell phone, camera, video camera. No food, water, drinks, will be allowed, so do not have them in your bag. You will be instructed to throw them away before you are cleared to go through.
3. Turnstiles open in the morning only for ShowTime ticket holders. Check schedule for time. Please be sure your spectators are aware that we do not accept season passes. The spectators, dancers, & directors must have one of our tickets & wristbands. The park does not open until well after ShowTime participants are allowed in & only ShowTime ticket holders will be able to enter the park before it opens to the public. Only ShowTime ticket holders with our wristband will be able to enter Zaragoza Theater where the contest is held.
4. **The ShowTime ticket booth absolutely closes at 11am, so if anyone arrives after that, they will have to pay full price for a Fiesta Texas ticket at the park's ticket booth and will not be able to enter the contest.** Parents and spectators who have not purchased their tickets yet can still do so from the time the gate open for ShowTime-11am or until we are sold out-CASH ONLY. No checks or credit cards at front gate. On site tickets will not be released without full payment. Our staff will not be able to come back to the front gate to sell a ticket after 11am. When you approach the main entrance, look to your right, and find the table with a red tablecloth. That is the ShowTime ticket sales table. No one can enter the theater unless they have a wristband and ticket stub from one of our ShowTime group tickets. **DO NOT GIVE YOUR WRISTBAND TO SOMEONE. EVERY DANCER MUST BE WEARING A WRISTBAND.**
5. Regular Fiesta Texas ticket price at their front gate is much more than a ShowTime ticket. Tickets from Showtime are definitely the best deal, plus they are required for entry into the theater.
6. **Arrive at Fiesta dressed and completely ready for your first dance.** Do not plan to change into your first costume there.
7. Please keep your entrance to no more than 15 seconds, and your exit no more than 15 seconds. This includes prop and backdrop setup. Please practice and time yourself to stay within 15 seconds. We truly do not have any more time than that. Enter from stage left and exit stage right.
8. MUSIC –Music is required to be uploaded at least 7 days in advance on your registration account. Keep your backup copies in your hand when your team goes on the floor in case it is needed, or send a manager or assistant to stand at the music table with the backup in hand. Please also have the adapter cords for your device available.
9. All routines must be performed in the order we've assigned them on the schedule. If you are not lined up when you are supposed to perform, 5 points will be deducted from your score. We have been using this method all year, and we've only had to deduct points once. The directors have expressed their appreciation for the contest moving along as scheduled.
11. We will not post Solo Finalists, and Winners will not dance again at the end. Their announcements and awards will be included in the Awards Ceremony.
12. You are going to experience "The Fastest Awards Ceremony On Earth." As soon as the last routine has finished, we will begin, so please be sure to be present to receive your awards. We may be running a little ahead, so plan to be back an hour before awards which are scheduled.

13. We must clear Zaragoza Theater as there is another event using the theater after us, so please move quickly out following the awards.

14. We do not do critique videos at Fiesta Texas.

15. The attractions and rides in the park are open after the contest ends, please stay and enjoy! Click [here](#) for park hours.

18. Props- Any props must be carried through the front gates and then carried to Zaragoza Theater. As long as the props can be carried in and could not be used as a weapon, you can carry them through the front gate. Security at the front gate will be searching through bags, bins, garbage bags, and suitcases, so they need to be open and accessible. No large props or backdrops are allowed.

19. Any leftover tickets must be returned by noon to Dee in the balcony for a refund. No Tickets accepted after 12:00 noon as they have to be turned in to Six Flags at that time.

20. You can take your ShowTime ticket stub back to the front gate during the day and get partial credit towards a season pass.

That's all for now! All our best as you prepare for a fun day!
