Tickets

1. Directors, please pay for your tickets at least 3 weeks in advance so they can be shipped to you. It will be very difficult on contest day to hand out 4 items to each person.
2. Directors who have not already received tickets must pick up ticket packets from the time the front gate opens (you will receive info about gate opening times if with the SeaWorld schedule) **until 11:00am only**. Parents and spectators who have not purchased their tickets yet can still do so **until 11:00am only**. **On site tickets will not be released without full payment**. Our ticket table will be gone at 11:00am. No one can enter the Nautilus Theater unless they have a wristband from one of our ShowTime group tickets. **DO NOT GIVE YOUR WRISTBAND TO SOMEONE. EVERY DANCER MUST BE WEARING A WRISTBAND.** **Individual/Same day tickets-CASH ONLY.** **No checks or credit cards at the front gate.**

ARRIVE AT SEAWORLD DRESSED COMPLETELY FOR YOUR FIRST DANCE. DO NOT PLAN TO CHANGE INTO YOUR FIRST COSTUME THERE!

Here's what happens:

Gate opening times will be included in your schedule. At the Sea World front turnstiles, show your Admission Ticket and Official SeaWorld/ShowTime International Wristband. People who do not have the ShowTime wristband and ticket WILL NOT be allowed through the turnstiles until regular opening at 10:30am, as SeaWorld does not want random people roaming around the park who are not with our event. Park closes at 9:00pm.

If you do not have any performances until later in the day, please arrive at the Nautilus at least 1 hour before your scheduled time. Go directly to the music area to turn in liability forms. **Keep in mind that tickets and ticket packets will only be available at the front gate from the time the gate opens until 11:00am**

Go to the Nautilus Theater. Show Official Wristband.

We will not be selling admission to the contest, and anyone without our admission wristband will not be allowed into the contest. No season passes are accepted for admission into the contest.

1. The **dressing room** is "Tiny." You will be sharing, so no "camping out" and leaving your stuff. There is only one dressing room & a restroom, so if you have a change, go in quickly, change, and exit fast. Plan to do makeup and hair out in the seating area. We must share. **Have your dancers dressed for their first performance when you arrive.**
2. At our ticket table, by the front gate, directors turn in liability forms. Have your backup music in your hand when your team goes on the floor in case it is needed or send a manager or assistant to stand at the music table with the backup in hand.
3. All routines must be performed in the order we've assigned them on the schedule. If you are not lined up when you are supposed to perform, 5 points will be deducted from your score. We have been using this method all year, and we've only had to deduct points once this whole year. The directors have expressed their appreciation for the contest moving along as scheduled.
4. We may be early, so have your team in the Nautilus Theater early for the Awards Ceremony.
5. We do not do video critiques at SeaWorld due to wind noise and humidity interfering with recording. We haven't had success in the past and have chosen not to fight it.
6. **Enter and exit very quickly. Entrance and exit are not judged.** Because of this, expect to be sent onto the stage as the last team exits and before your name is announced. Thank you for your cooperation!
7. MUSIC –Music is required to be uploaded on your registration account 10 days before the contest. Keep your backup copies in your hand when your team goes on the floor in case it is needed or send a manager or assistant to stand at the music table with the backup in hand. Please also have the adapter cords for your device available for iPhone 8, X, ¼ mini, and for all other digital devices.
8. We will not post Solo Finalists, and Winners will not dance again at the end. Their announcements and awards will be included in the Awards Ceremony.
